Re: Standby Service Rates, Case 11-E-0299

Dear Secretary Brillling:

Consolidated Edison Company of New York, Inc. (“Con Edison” or “the Company” is filing with the New York State Public Service Commission (the “Commission”) changes to its Schedule for PASNY Delivery Service, P.S.C. No. 12 – Electricity (the “PASNY Tariff”), applicable to delivery of power and associated energy to customers of the New York Power Authority (“PASNY” or “NYPA”).¹

The PASNY Tariff leaves, which are identified below, are issued on not less than 30 days’ notice and are proposed to become effective on August 23, 2012:

<u>Leaf No.</u>	<u>Revision No.</u>	<u>Superseding Revision No.</u>
13	4	3
14	4	3

The Company is also issuing Supplement No. 4 to the PASNY Tariff to cancel Leaf No. 13, Revision No. 2, and Leaf No. 14, Revision No. 2. Supplement No. 4 is proposed to become effective on August 22, 2012.

Reason for Filing and Changes Proposed

The tariff leaves issued by the Company in Case 11-E-0299 on March 19, 2012,² have a proposed effective date of August 23, 2012.³ Two leaves issued in that filing –

¹ This is the Delivery Service Rate Schedule implementing and part of the Service Agreement between PASNY and the Company, dated March 10, 1989.

² That filing was issued pursuant to Ordering Clause 2 of the Commission’s Order Approving Tariff Amendments With Modifications, issued and effective November 17, 2011, in Case 11-E-0299, *Tariff*

Leaf No. 13, Revision No. 2 and Leaf No. 14, Revision 2 – were subsequently revised by the Company’s filing made in Case 09-E-0428 and Case 12-E-0008, effective April 1, 2012.⁴ The current filing updates the versions of Leaf No. 13 and Leaf No. 14 that were filed on March 19, 2012, to incorporate the changes that became effective on April 1, 2012.

Conclusion and Notice

Supplement No. 4 to P.S.C. No. 12 – Electricity cancels the versions of the two tariff leaves that were filed on March 19, 2012. That supplement has a proposed effective date of August 22, 2012.

The updated versions of the tariff leaves have an issue date of July 6, 2012, and a proposed effective date of August 23, 2012, the same proposed effective date as the leaves filed in Case 11-E-0299 on March 19, 2012.

The Company respectfully requests waiver of newspaper publication, because these changes are simply being made to conform the tariff leaves.

Sincerely,

/s/ Christine Colletti
Director
Rate Engineering Department

filing by Consolidated Edison Company of New York, Inc. to Revise Service Classification No. 14-RA – Standby Service.

³ The filing had a proposed effective date of June 22, 2012. The effective date is currently postponed to August 23, 2012, pursuant to S.P.O. 11-E-0299SP, issued June 22, 2012, in Case 11-E-0299.

⁴ That filing was issued pursuant to the Commission’s Order Directing Use of Certain Credits to Offset \$133.5 Million Surcharge, issued and effective March 22, 2012, in Cases 12-E-0008 and 09-E-0428.
